

## ON BOARD CAMERA CAR ASSEMBLY REQUEST

The undersigned \_\_\_\_\_ Licence \_\_\_\_\_  
Competitor participating in the sporting event

**48th Alpe del Nevegal**  
30 – 31 July 2022

with the car race number

\_\_\_\_\_

**asks**

during the pre-event technical inspection, to be authorised to use on-board cameras during the event, subject to verification of installation by the marshals in charge.

**declares**

not to change the positioning, support structure and fixing during the competition of the same, expressly releasing the Organiser, the Race Officials, FIA and ACISport from any and all liability arising from failure to comply with this undertaking.

**RSN - ART. 126 – CAMERA CAR**

The use of video cameras in cars must be authorised during pre-race scrutineering by the technical scrutineers, who will check their positioning, support structure and attachment in order to prevent such equipment from endangering the driver and the public.

**In Faith**
